## Workshop Description

### Prepare for an AP History Exam:

*Art History, European, U.S., and World*

As colleges continue to waive the requirement that students submit scores on the SAT or ACT, other standardized test results are becoming increasingly important in students' overall academic records and, by extension, college application "packages." At the same time, the College Board (which creates Advanced Placement, or AP, exams) has altered the content, format, and delivery systems for their exams in the wake of COVID-19. Learn about the latest changes and the best ways to study from former AP US History Teacher and **Crimson Coaching™** President, Dr. P. (Dominique Padurano, Ph.D.). A Harvard graduate who earned "5"s on all of her own AP exams (including US, Art and European History), Dr. P. also served for a decade as an AP US History exam Reader, Table and Exam Leader, developing rubrics that she would then teach other Readers to use while scoring exams. Each spring, Dr. P. privately tutors students who want to maximize their performance on the May exams.

### Dr. P.'s Bio

After teaching for more than a decade at some of the nation's top high schools, Dr. P. (Dominique Padurano, Ph.D.) founded Crimson Coaching, a boutique tutoring, test prep, and college counseling consultancy based in New York City. Dr. P. has taught hundreds of students subjects from Algebra to French to Spanish to World History; prepared them to take standardized tests like the ISEE, SAT, ACT, GRE, Regents, and APs; and coached them to write applications that won admissions to Harvard, Princeton, and other elite colleges. Dr. Padurano earned her own Bachelor's degree, *magna cum laude*, from Harvard College, and possesses a Master's in Education and a Ph.D. in History. She works with clients worldwide and may be contacted directly at [info@crimsoncoaching.com](mailto:info@crimsoncoaching.com).
