Workshop Description

College Tours: How to Make the Most Before, During, and After Your Trip **A Workshop for Students in Grades 9- 12 AND Their Parents**

College visits used to be a junior-year rite of passage. Now they're an integral part of getting accepted to the college of your dreams. In this workshop, college counselor and President of **Crimson Coaching™**, Dr. P. (Dominique Padurano, Ph.D.) teaches parents and students how to prepare for visiting colleges, what to do while they're on campus, and how to follow up with admissions officers to maximize their chances of eventual admission. Participants should bring a notebook, a pen/pencil, and an open mind.
