## Workshop Description

### **College Planning for Freshmen and Sophomores: A Workshop for Students in Grades 9 and 10 AND Their Parents**

Gone are the days of taking the SAT once as a junior and applying to a handful of colleges as a senior. Despite the apparent “arms race” of the college admission process, 9th and 10th graders can take concrete, common sense actions to maximize their chances of success when the college application process *really* begins. In this workshop, college application coach and President of **Crimson Coaching™**, Dr. P. (Dominique Padurano, Ph.D.) counsels students and parents on how to make the most of freshmen and sophomore years, while staying sane and having fun. Students must be accompanied by a parent and should bring a notebook and a pen or pencil.

### **Dr. P.’s Bio**

After teaching for more than a decade at some of the nation’s top high schools, Dr. P. (Dominique Padurano, Ph.D.) founded Crimson Coaching, a boutique tutoring, test prep, and college counseling consultancy based in New York City. Dr. P. has taught hundreds of students subjects from Algebra to French to Spanish to World History; prepared them to take standardized tests like the ISEE, SAT, ACT, GRE and Regents and APs; and coached them to write applications that won them admissions to Harvard, Princeton, and other elite colleges. Dr. Padurano earned her own Bachelor’s degree, *magna cum laude*, from Harvard College, and also possesses a Master’s in Education, and a Ph.D. in History. She works with clients worldwide and may be contacted directly at [info@crimsoncoaching.com](mailto:info@crimsoncoaching.com).
