## Workshop Description

### **Impact Projects: How to Stand Out During the College Admissions Process** **A Workshop for Students in Grades 11 and 12 AND Their Parents**

As the importance of the SAT and ACT wanes in a student's overall college application "package," what they've done *outside* the classroom takes on added significance. But joining more clubs and sports teams is not the ideal way to bolster your extracurricular resumé. In this workshop, college counselor and President of **Crimson Coaching™**, Dr. P. (Dominique Padurano, Ph.D.) explains "impact projects" and shares 21<sup>st</sup>-century strategies to stand out during the college application process.
